

For AI & XR Devs

*MINDSET STAGE*

# Live Longer. Ship Quality Code. Gain Perspective.

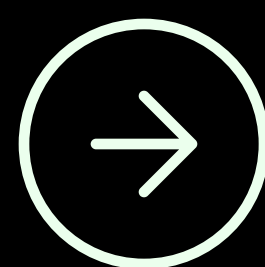

Learn about wellness, ethics, and improving the developer experience to help you make better products and live a better life

SWIPE

# STACKX Days

**The Amphitheatre, just one of our 3 stages, hosts the MINDSET stage. Night and Day. Fresh Air. Good Vibes. This is like a conference. But better.**

SWIPE

# The mindset programming

Hear honest stories that range from quirky to corporate about the developer experience.

Join the developer wellness forum to elevate your path.

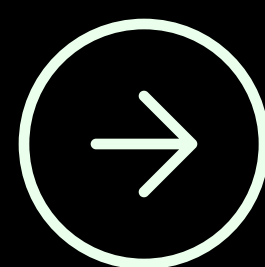

Learn about AI Ethics challenges our industry is facing and how devs can find solutions.

Oct 28-30 '25

**STACK**Days

SWIPE

# Experience the Culture of StackxDays:

1

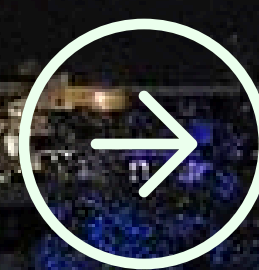

**Meaningful Connections:** Go beyond surface-level networking and engage in conversations that matter.

2

**Holistic Program:** Enjoy activities that bring developers closer to the society they serve.

3

**Innovative Spirit:** Be part of a community that fuses technical, creative, and leadership skills.
